LESSON TUITION

Lesson tuition covers your weekly enrollment in your assigned lesson slot. This guarantees your spot in your scheduled lesson. Enrollment may be terminated with a 30 day written notice and payments will be due each month regardless of ability to attend. Long absences (3+ months) due to custody, injury or illness, or other special cases will be handled on a case by case basis but no guarantees are made for reduced or excused tuition payments or riding academy lease fees. Tuition is based on a yearly attendance to 44 lessons and accounts for multiple missed days due to vacation, closed days, emergencies and weather cancellations.
